

## MISSION, VISION AND VALUES

### 1. OUR MISSION

Our mission is to provide comprehensive quality education to our students forming respectful and responsible people, with freedom of judgment and good intellectual and academic preparation that will enable them to integrate and provide added value to the society in which they will develop as people and citizens.

### 2. OUR VISION

We work to be a school with public recognition for its human qualities, social work and academic excellence in our students by encouraging their personal growth by developing all their capacities and encouraging critical thinking that allows them to generate values of change in society around us from a responsible, creative and constructive spirit.

We want to train students with high academic standards and with a solid background in English and encourage and lead the creation of educational and social programs to promote a wide range of cultural and sporting activities.

To achieve this we want to integrate our work to families who make up our community as an essential element to complete the educational activity.

### 3. OUR VALUES

- 🌹 Respect, as a basic element in the formation of the person. Both personal acceptance and social and professional relationships.
- 🌹 Effort, as the cornerstone in the construction of personal and professional success.
- 🌹 Commitment to our project, our families and our environment.
- 🌹 And finally, the values of Christian humanism that after the conviction of its founder and her followers, it is the best way to get to achieve our vision.
